1. FIRM OVERVIEW

Hall's Family Academy LLC (HFA) is a certified small business delivering **non-clinical Health & Human Services program support, program management, workforce development, professional training, technical assistance, implementation, and compliance support** nationwide. HFA helps agencies and primes **execute statement-of-work requirements, strengthen workforce capacity, maintain compliance, and reduce delivery risk** by converting regulatory, funding, and performance requirements into executable systems, documentation, measurable deliverables, and sustainable operations. Founder Tashanna Hall holds a Harvard University credential in Child Welfare and Protection.

2. CORE CONTRACT CAPABILITIES

PROGRAM & PROJECT MANAGEMENT Program implementation; operational planning; work-plan execution; deliverable tracking; performance monitoring; documentation systems; post-award support.	**WORKFORCE DEVELOPMENT & TRAINING** Registered Apprenticeship; workforce readiness; professional development; competency-based training; leadership development; capacity building.	**TECHNICAL ASSISTANCE & IMPLEMENTATION** Systems alignment; process development; documentation infrastructure; implementation assistance; organizational capacity; continuous improvement.
COMPLIANCE & PERFORMANCE Audit readiness; quality assurance; monitoring preparation; regulatory alignment; documentation review; performance tracking; outcomes measurement.	**NON-CLINICAL HHS PROGRAM SUPPORT** Workforce, administrative, training, implementation, technical assistance, community-facing, and operational support for health and human-services programs.	**BUYER FIT** Federal, state & local agencies; prime contractors; colleges & universities; nonprofits; publicly funded organizations.

3. TEAMING VALUE | PRIME & AGENCY EXECUTION SUPPORT

Built to integrate into prime-led and agency teams. HFA can own defined workstreams in program implementation, workforce development, professional training, technical assistance, compliance, documentation, quality assurance, performance monitoring, and post-award execution. HFA brings certified small-business status plus hands-on regulated-program operating experience - reducing onboarding, performance, and compliance risk.

4. SIGNATURE CAPABILITY | REGISTERED APPRENTICESHIP

HFA designed, built, and secured approval for a **Pennsylvania State-Registered Apprenticeship for Child Development Specialist (RAPIDS 90550; O*NET 39-9011.00)**: 2,000-2,615 on-the-job hours under a journeyworker mentor plus 200 hours of related instruction with the Community College of Allegheny County, mapped to all six NAEYC competency standards and rubrics. Apprentices earn the CDA plus a nationally recognized Certificate of Completion of Apprenticeship. Independently verifiable through U.S. DOL RAPIDS.

5. NAICS / CONTRACT ALIGNMENT

NAICS	Title	Application
541611 *	Administrative & General Management Consulting	PRIMARY | Program Mgmt / Implementation / Compliance
611430 *	Professional & Management Development Training	Workforce / Apprenticeship / Professional Training
611710	Educational Support Services	Technical Assistance / Capacity Building
541990	All Other Professional, Scientific & Technical Services	Program Evaluation / Professional Support

6. PAST PERFORMANCE & VERIFIABLE EXPERIENCE

Engagement	Scope / Result
Registered Apprenticeship (RAPIDS 90550)	Designed and secured Commonwealth registration; program architecture, DOL/PA L&I; alignment, NAEYC-mapped competency framework, and 200 hours related instruction with CCAC. Independently verifiable via U.S. DOL RAPIDS.
MIS - Management & Compliance Advisory	In-kind professional support at fair market value: organizational gap analysis, regulatory advisory (45 CFR 1302 / CCDBG), strategic planning, and board decision support. Client rated performance Exceptional.
MIS - Professional Development & Training	In-kind professional support at fair market value: leadership development and CDA credential coaching with a 100% pass rate (8 of 8). Client rated performance Exceptional.
HFA Operational & Compliance Track Record	Administered a CCDF-funded subsidy program under OCDEL and DHS compliance with zero audit findings, demonstrating hands-on program-management and regulatory capability.

7. DIFFERENTIATORS

Built, not theoretical: HFA has designed and implemented regulated workforce infrastructure, including RAPIDS 90550. **Execution-focused:** program management, implementation, documentation, monitoring, and measurable performance. **Compliance credibility:** zero audit findings in regulated-program operations. **Specialized domain depth:** HHS, ACF, CCDF, Head Start, child welfare, OCDEL, workforce development, and early childhood systems. **Contract-ready:** certified small business, teaming-ready, nationwide professional service capability.
